INCLUDES 09/17/2009 CONTINUING EDUCATION COURSE APPROVALS

BOARD APPROVED CONTINUING EDUCATION COURSES - Listed below are courses approved by the Tennessee Alarm Systems Contractors Board for CONTINUING EDUCATION in the Fire Installation, Burglar Installation, CCTV Installation, and Monitoring Alarm Systems Classifications for QUALIFYING AGENTS.

RULE 0090-5-.01 The continuing education requirement is eight (8) hours of classroom instruction <u>for each year for which</u> <u>the license is valid</u>. This classroom instruction shall be completed prior to the expiration of the license. **With renewal** applications, Qualifying Agents must provide a photocopy of certificates of completion for approved continuing education course(s) totaling <u>sixteen (16) hours.</u>

RULE 0090-3-.03 REPEATED COURSES Repeated courses will not be given credit for educational qualification unless a period of two (2) years has passed between those courses.

As of **09/17/2009**, these are the only courses approved for continuing education by the Tennessee Alarm Systems Contractors Board. As other courses are approved they will be added to this list and can be forwarded upon request. **NTS** approved courses are also acceptable if the certificate of completion contains a verifiable course number and the number of credit hours, and the certificate has the attendee's name and the date of completion printed on the certificate and the certificate is signed by the course instructor.
